

2025/26 Eclipse Volleyball Club Sponsorship

Holmes County's first and only Ohio Valley Regional sanctioned JO traveling youth off-season training to local youth. Including more than 30 practices and 8 sanctioned tournaments each team.

Why Sponsor? What's in it for

Market your business and connect with target demographics, generate positive reviews, and increase your brand loyalty. Bring greater exposure to your business at over **85 different** locations. Our club teams will be participating in this year. We span over 8 counties and 22 schools within this club. Help your business demonstrate its commitment to corporate social responsibility and support for the local economy. Every dollar helps keep registration and equipment costs low, so we can help more kids access this program and improve the overall youth experience in our community.

- **Show your support to youth sports**
- **Understand the benefits this provides**
- **Genuinely care about our community**
- **Instill loyalty with the community**

Club Mission Statement

Our goal is to promote volleyball throughout Holmes County and surrounding areas and create a positive learning environment where players can improve their overall volleyball knowledge while also developing as better individuals, friends, and teammates. Continual practice of fundamental skills enhances a player's ability to reach a higher level of competition potential. EVC's philosophy of teaching these fundamental volleyball skills begins with the coaches and directors lead by example. With a small player to coach ratio, they provide a personal atmosphere while teaching at a professional level. We help players improve the understanding of team strategy, and compete at the next level.
